

## Danube Day 2007 in Montenegro

Montenegro joins the celebrations of Danube Day this year!

The Danube Day family welcomes their friends from Montenegro - sharing the concerns for the numerous Danube rivers.

In cooperation with the Danube Environmental Forum the **Danube Art Master** Competition will be launched in Montenegro, targeting kids in the basin of the Tara river– an important tributary to the Drina and famous for its spectacular Tara canyon. Children will be asked to create a wild and imaginative work of art inspired by their river, on the theme, **“Celebrating Danube Cultures”**, and see if they can win a great prize!
